Assignment Self-Evaluation

Please reflect & comment on the following.

1. What did I learn from this assignment?

To create a to do notes application

2. What did I enjoy the most?

Adding colors to the app

3. What were the strengths and weaknesses of my work?

Strength

- I could research about existing to do notes apps and suggest my own value added feature.
- Weaknesses
 - Difficulty in managing multiple things at one time
- 4. How could my work be improved?

 If I would have managed the time properly
- 5. Did I interpret the brief correctly? Yes, I did
- 6. Did I carry out effective research? Yes, I did
- 7. Did I complete on time, and how well did I manage my time? Yes, I did
- 8. What could I have done better? I could added icons to my app.
